

Handwriting Progression using Printed Letters

The Letter-join scheme can be used as the basis of a whole school approach to handwriting, progressing from Early Years to Year 6.

Early Years

The youngest pupils are taught short handwriting lessons on a daily basis, which will include the following:

- enhancing gross motor skills such as air-writing, pattern-making and physical activities
- exercises to develop fine motor skills such as mark-making on paper, whiteboards, sensory trays, iPads, tablets, etc.
- becoming familiar with letter shapes, their sounds, formation and vocabulary
- correct sitting position and pencil grip for handwriting.

Lesson Planner Module 1 Print: Early Years introduces handwriting using the printed method. It starts with Getting Ready for Handwriting including fine and gross motor skills warm-up exercises, correct sitting position and tripod pencil grip.

The first module is divided into three sections covering:

- pre-writing patterns
- easy letters and words
- harder letters and words

At the end of this module, children should be able to recognise and form all the printed, lowercase letters of the alphabet.

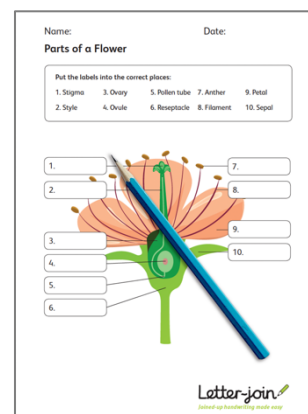

Key Stage 1: Years 1 and 2

Teaching progresses from five short, to two longer lessons per week:

- continuing with gross and fine motor skills exercises
- strengthening handwriting, learning and practice
- numerals, capitals and printed letters; where and when to use, learning and practice
- KS1 SATs SPaG exercises.

Lesson Planner Module 2 Print to Cursive: Year 1 teaches how to correctly write capital letters, uses of printed letters, numbers, punctuation, maths symbols and other symbols. Pre-cursive patterns and cursive letters are then introduced in preparation for Module 3 when children are required to start joining their handwriting.

It is divided into three sections covering:

- warm-ups, letter families and capital letters
- uses of printed letters
- numbers and symbols
- introducing pre-cursive patterns and cursive letters

On finishing this module, children should be confident in writing all the capital and printed letters, numbers and symbols and start to become familiar with their use.

Lesson Planner Module 3 Starting Cursive: Year 2 introduces children to cursive letters and how to join them. They will have regular practice in letter formation and joining their handwriting.

It is divided into 3 sections:

- cursive letters and words, letter families, high frequency words, joining practice, sequencing sentences and dictation exercises
- further dictation exercises, more high frequency words, 2, 5 and 10 times table facts and SPaG practice for KS1 SATs
- more dictation and number writing practice

With the regular handwriting practice throughout this module, children should now be developing the fluency and speed of their writing.

Lower Key Stage 2: Years 3 and 4

Handwriting lessons will continue twice a week in Lower Key Stage 2.

Lesson Planner Module 4 for Year 3 is targeted at children in lower KS2 where pupils should be using a cursive style throughout their independent writing in all subjects, helping to refine their handwriting in line with the requirements of each lesson. This module covers topics such as dictation, double letters, number vocabulary, palindromes, tongue twisters, MFL (French and Spanish), onomatopoeia, simile and statutory spellings.

Completion of Module 4 should ensure improvement in the legibility, consistency and quality of the children's handwriting through a variety of resources which link handwriting to other areas of the curriculum.

Lesson Planner Module 5 for Year 4 focuses on using handwriting practice to support other subjects in the curriculum and, at the same time, builds on fluency and consistency. This module aims to promote meaningful links with other subjects such as English, maths, science, geography, French and Spanish. Making such links enables children to apply the skills they are learning in context and also provides depth to the curriculum.

Learners will continue to build on producing fluent, consistent and legible handwriting through the regular practice offered in this module's lessons.

On concluding this module, children will have practised applying size-appropriate handwriting to all areas of the curriculum whilst maintaining fluency and legibility.

EXAMPLE

Word of the Week: precarious

Write this week's word six times:

precarious precarious precarious
precarious precarious precarious

Use a dictionary to find the definition of this week's word:

If something is precarious, it is not safe and likely to fall off or fall over.

Write some synonyms of this week's word:

insecure risky hazardous
treacherous unsafe dangerous

Write some antonyms of this week's word:

safe fixed strong
secure protected stable

Write a sentence using this week's word:

The cat was in a precarious position in the tree.
Beware: this cliff edge is precarious.
Take care on that precarious, old ladder.
The stranded climber was in a precarious situation.

Letter-join®

Upper Key Stage 2: Years 5 and 6

More advanced handwriting techniques will be taught during two weekly lessons:

- reinforcing cursive handwriting across the curriculum
- form-filling/labelling using printed and capital letters
- dictation exercises promoting quick note-taking and speedy handwriting writing skills
- KS2 SATs SPaG practice

Lesson Planner Module 6 for Year 5 continues to build on combining fluent handwriting with other subjects across the curriculum.

In this module, learners will have plenty of opportunity to develop the stamina and skills to write at length, with accurate spelling and punctuation. With Letter-join's wide range of resources they will be able to work towards producing consistently neat and well-presented handwriting in all curriculum subjects.

On completing this module, children should be producing cursive writing automatically, enabling them to focus on the content of their work rather than the process of writing.

Lesson Planner Module 7 Year 6 presents learners with a range of tasks where they have to decide on an appropriate style of handwriting. Promoting speedy, fluent writing continues to be a strong feature. Challenging dictation exercises will refine pupils' revising and checking skills as well as boosting their handwriting speed, stamina and fluency. A range of curriculum-based worksheets will give pupils the opportunity to practise writing at length.

Module 7 also contains a series of worksheets to aid KS2 SATs SPaG revision. They are designed to support year 6 pupils in meeting expected standards for spelling, punctuation and grammar, with lots of SPaG preparation and plenty of handwriting practice.

By the end of this module, children should be able to adapt their handwriting for a range of tasks and purposes and to create different effects. They should be clear about what standard of handwriting is appropriate for a particular task, for example, quick notes, a final handwritten version, an un-joined style or capital letters. All of these writing styles are covered in this module.

Incorporating handwriting lessons into your timetable

The aim of Letter-join's Handwriting Lesson Planners is to be flexible so that handwriting lessons can be easily incorporated into your timetable.

The Lesson Planners are designed so that teachers can use them as a toolkit to support and reinforce the teaching of handwriting and they allow plenty of scope to respond to individual children's needs.

For a more structured handwriting programme within your timetable, Letter-join's suggestion is as follows:

- **Early Years and Year 1:** short handwriting lessons on a daily basis (10-15 mins)
- **Year 2:** three longer lessons per week (15-20 mins)
- **Years 3 and 4:** handwriting lessons continue twice a week (20-30 mins)
- **Years 5 and 6:** more advanced handwriting techniques taught during two weekly lessons (30-40 mins)

Please note that each handwriting lesson has differentiation suggestions for those pupils who require extra practice or an extra challenge.
