Information for PARENTS

Trinity House is a story told throughout the programme from Years 1 to 6 at a growing level of complexity through each learning stage. It tells the story of the Trinity family who live in Trinity House – Abba, Adam and Amara – symbols of the creative circle of love between Father, Son and Spirit. Children will learn that just like the Trinity of God, we are made to love God and love others, and we are made to be loved by God and others. This extends not only to us, our families, our friends and our personal relationships, but also to the wider world.

Religious UNDERSTANDING

Kester's Adventures follows the story of Kester who is in search of his Maker. When he finds his maker, Abraham, Kester develops a deep and personal relationship with him over many years. As the children grow through the learning stages, Kester's story grows in complexity as he tries to understand his place in the world when faced with more challenging life decisions. Ultimately, he is always reminded that he was created by Abraham, along with his parents, and was loved and cared for even before he was born.

Kester's Adventures is an original story by Ten Ten which is **an allegory for our relationship with God**; it communicates the key idea that we were created out of love and for love.
